

Senior Snow Removal Application Program

The Village of Broadview offers senior snow-removal services to Broadview property owners age 60 and older who have a disability or serious health condition that prevents them from safely removing snow and who have no one available to assist them.

Residents interested in receiving snow-removal services must reapply each year.

APPLICATION DEADLINE: NOVEMBER 13, 2026. NO EXCEPTIONS.

Completed applications must be submitted to Village Hall by November 13, 2026.

New applicants must also provide a brief certification from a licensed healthcare professional confirming that they have a physical or medical limitation that prevents them from safely removing snow. A diagnosis or detailed medical history is not required. All medical documentation will remain confidential and will be used solely to determine program eligibility.

PLEASE REMEMBER: The Village will clear the lip of the driveway and the walkway leading to the front entrance or side entrance door. Please allow at least 24 hours after the snowfall has ended for snow-removal services to be completed.
