The Index Crimes are used to indicate the amount and extent of serious crimes in a given jurisdiction as defined by the International Association of Chiefs of Police Committee on Uniform Crime Reports. Index Crimes include the following “Violent Crimes”: murder, non-negligent manslaughter, aggravated criminal sexual assault, robbery, aggravated battery and aggravated assault. Also included are the following “Property Crimes”: burglary, theft, larceny, motor vehicle theft and arson. The Crime Index is the total number of Index Offenses occurring within a given jurisdiction during a specified period of time. From **October 2017 to September 2018**, Broadview’s Crime Index is **332**. Compared to **422** for the period of **October 2016 to September 2017**. This is a **21.33% Decrease** from the previous year.

While we have seen a decrease in the amount of reportable offenses, criminal arrests have also decreased by 1.44%. From October 2017 to September 2018, a total of 137 arrests were made as compared to 139 for the period of October 2016 to September 2017.

The Broadview Police Department is constantly resolving its strategies in order to reduce crime within the Village as well as to actively pursue offenders.
